

Lab 1 Solutions

Exercise - Learning C in Linux

```
#include <stdio.h>

int main()
{
    printf("Hello World!\n");
    printf("I'm learning \"C in Linux coding\"\n");
    return 0;
}
```

Exercise - Multiplication Table

```
#include <stdio.h>

int main()
{
    int input, i, output;
    scanf("%d",&input);
    for(i=0; i<=10;i++)
    {
        output = i * input;
        printf("%dx%d = %d\n", i, input, output);
    }
    return 0;
}
```
